

# Trustee Bulletin: Early Access to superannuation

On 22 March 2020 the Government announced some significant relief measures that will most definitely impact some SMSF members and may avail other members to opportunities to access benefits directly from their superannuation fund subject to meeting certain criteria. Here is a brief summary of the key announcements directly linked to superannuation:

## Providing support to retirees

Full details (to date) can be found at [https://treasury.gov.au/sites/default/files/2020-03/Fact\\_sheet-Providing\\_support\\_for\\_retirees\\_to\\_manage\\_market\\_volatility.pdf](https://treasury.gov.au/sites/default/files/2020-03/Fact_sheet-Providing_support_for_retirees_to_manage_market_volatility.pdf)

### 50% reduction in minimum pension drawdowns

Effective immediately, the minimum pension requirements for the 2019/20 Financial Year have been reduced by 50%. The announcement also extends the relief to the 2020/21 Financial Year.

Age	Default minimum drawdown rates (%)	Reduced rates by 50% for the 2019-20 and 2020-21 income years (%)
Under 65	4	2
65-74	5	2.5
75-79	6	3
80-84	7	3.5
85-89	9	4.5
90-94	11	5.5
95 or more	14	7

Whilst not made absolutely clear via the release, it suggests that the same relief will apply to all similar products, meaning it is likely that Market Linked (Term Allocated) Pensions will also have 50% relief.

The relief does not reduce the maximum allowable under a transition to retirement income stream, it is merely a means to assist in the preservation of capital.

**WARNING:** This announcement does not make any suggestion that if you have taken more than the 50% reduced minimum you can reimburse the fund, any such amount would be considered a contribution and be subject to the existing contribution rules. If you don't know the rules please contact us.

### Reduction in Social Security deeming rates

From 1 May 2020 the upper deeming rate for Social Security purposes will be 2.25% and the lower rate will be 0.25%. This announcement does not necessarily require any action, however, it may result in changes to Age Pension limits for some clients. Please contact your local Services Australia branch to access more information, or subsequently visit <https://www.servicesaustralia.gov.au/> for more information.
